REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)

501.39180R00

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in patent number 5,834,922, granted November 10, 1998, and for which a reissue patent is sought on the invention entitled SECONDARY BATTERY POWER STORAGE SYSTEM

the specification of which

☒ is attached hereto.

☐ was filed on _____ as reissue application number ____ / _____
and was amended on _____
(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I hereby affirm the claim for priority based upon Japanese Patent Application No. 5-331000, filed in Japan on December 27, 1993.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described as follows:

Original patent claims 17-30 directed to a method recite A method of operating a secondary battery storage system for connection to a "power system", whereas new independent claim 37 recites A method of operating a secondary battery system "for illumination" while reciting a "load for illumination" and "controlling discharging of the secondary battery in accordance with information of the load for illumination" which features are not recited in the original patent claims 17-30.
